MUHAMMAD KHURRAM SHAHZAD

Web Developer

☎ +92 3006676031   ✉ uaf.khurram@gmail.com

[in] https://www.linkedin.com/in/khurramsagoo/

Education

UNIVERSITY OF AGRICULTURE FAISALABAD
BSc Hons 2009-2013

SHIBLEE GROUP OF COLLEGES FAISALABAD
FSc 2007-2009

Experience

Front-End Developer:

Worked with front-end and design team to help with building the front-end with HTML bootstrap Js and also made sure content delivery is optimized.

Projects

Realtime solutions for coding problems, it has been implemented using Appwrite SDK. We then have our most interesting part of the web-app which is the 'Contribution' section where user can answer to the problems asked by an author in real-time. User can also be an author and post their respective doubts or the problem they are facing in the code.
